Press Release

**May 6, 2025**

Williamston, South Carolina

Greenville & Western Railway Company, LLC, a wholly owned subsidiary of Western Carolina Railway Service Corporation, will be performing track maintenance in the vicinity of Green Street in Williamston commencing on or after May 19, 2025.

### **Maintenance Will Require Closure**

The planned track maintenance will potentially require the closure of Green Street at the railroad crossing for a period of 30 days or more. Should this closure period extend beyond 30 days, it should be presumed that the road remains closed until such time a subsequent announcement is made that the road has been reopened.

### **Detour Route Will Be Posted**

In accordance with the project Traffic Plan, **AUTOMOBILES ONLY** will be required to detour around the closed section of Green Street using the open section of Green Street to the north of the closure area, along with Williams Street and Mill Street. **Commercial Truck Traffic CANNOT navigate Green Street** due to existing low ground clearance at the grade crossing, so no separate Commercial Truck Traffic Detour Route has been planned. **See attached Traffic Plan.**

**Thank You!**

Greenville & Western Railway thanks the public in advance for their patience and understanding during this road closure. For continuing updates on the further growth and development of Greenville & Western Railway Company, LLC, pay a routine visit to: <https://www.wcrscorp.com/railroads/>.
