Press Release

June 2, 2025

Aiken, South Carolina

Aiken Railway Company, LLC, a wholly owned subsidiary of Western Carolina Railway Service Corporation, will be performing track maintenance and resurfacing of two rail-highway grade crossings located on Timberlane Road (S-02-494) between June 18, 2025, and June 22, 2025.

June 18-20, 2025

Between Park Avenue SE S-02-3 and Park Avenue SE S-02-817

In accordance with the attached Traffic Plan, the area of Timberlane Road forming the rail highway grade crossing (**railroad's Main track**) between Park Avenue SE S-02-3 (north of the railroad's Main track) and Park Avenue SE S-02-817 (south of the railroad's Main track) will be closed for approximately 48 hours, beginning 8:00 AM Wednesday, June 18, 2025, through 8:00 AM Friday, June 20, 2025. During this brief road closure, **ALL TRAFFIC** will be required to detour around the area using Park Avenue SE (S-02-3), Charleston Street SE, and South Boundary Avenue SE. Because Timberlane Road is not a commercial truck route, no separate Commercial Truck Traffic Detour Route has been planned. **See attached Traffic Plan for June 18-20, 2025.**

Park Avenue SE S-02-817 **will remain open to local traffic** on the south side of the railroad's Main track during the closure period. **Monetta Farrier Specialties, Inc.** and **Carolina Eastern, Inc.** will **remain accessible** during the project via Park Avenue SE S-02-817. Drivers are urged, however, to be **watchful for men and equipment working in the vicinity of the closure.**
